Oklahoma National Stockyards Weekly Cattle Summary							
Compared to last week: Feeder steers and heifers steady. Demand moderate for feeder cattle. Steer and heifer calves steady to 3.00 lower, decline on fleshy unweaned calves. Calf demand moderate to good with light demand for unweaned calves. Weather turned warm and dry over the weekend, drying out pastures and allowing farmers to sow wheat. Corn prices remain on a roller coaster until the grain is harvested and in the bins. Recent rains and nice weather has increased wheat pasture prospects. Supply included 68 percent over 600 lbs and 38 percent heifers.
